Conference and Banqueting Facilities

Conference and meeting rooms are equipped with state-of-the-art audio visual equipment including multi-media capabilities and flexible lighting designed to suit all needs.

Graceland Arena

This large multi-purpose 1200m² venue is capable of seating up to 1,000 people for boxing, musical and other special events. Due to the design of this venue and the availability of a comprehensive range of audio, lighting, video and staging equipment, almost any kind of event is possible.

Meeting Rooms (Carolina, Virginia, Georgia)

Graceland offers executive-style breakaway rooms, ideal for think tanks and planning sessions in a workshop or conference setting. The Georgia room is equipped with online meeting capabilities, making it perfect for hybrid or virtual collaboration.

Liberty Hall

Liberty Hall features a pre-assembly area and the 333m² convention room which can be sub-divided into two rooms of equal size. This is an ideal venue for banquets, weddings, conferences and presentations.

Facilities include:

- An individual audio system for each room with room combiner systems – upon request.
- Perimeter hanging bar at ceiling height for each area.
- Dimmable room lighting with individual controls for each room.
- Microphone / line level input points at skirting level in each room.

Control panel at side of entrance doorway with the following controls:

- Main lighting dimmer control
- Lighting dimmer control
- Background music volume control
- Audio system source selector
- Audio room combiner selector
- Projection screen control

Caring For Our Communities

At Peermont we firmly believe in improving the well-being of communities in which each of our casinos, hotels and resorts operate. This is achieved by the continual provision of financial assistance, skills training and investment support through the various Peermont Trusts and other Corporate Social Investment and Responsibility initiatives focused within three designated pillars - namely education and youth development, entrepreneurial development and community infrastructure.
